To whom it may concern,

I, Kelly Erickson, am the Children's Ministry Direcotr here at St. Jude Catholic Church in Allen, Texas. I have had the great pleasure of observing Carson Zuther work with different positions of ministry for the past three years. He has volunteered for our Parish Carnival at our Cake Walk and at our Parish Trunk-or treat events. He helped the children stay focused, enjoy the activities, and added to the overall fun and organization of the events. He helped set up, organize, and clean up each time he volunteered as well.

He is punctual, follows directions well, is intuitive and self-disciplined. We would gladly welcome him back with open arms to help in any capacity. He would be a wonderful candidate to receive your Scholarship. Please reach out if I can help you determine his qualifications and credentials. He is a blessing to all!
